Erik is an associate in our Edmonton office.

Erik completed his Juris Doctor at Thompson Rivers University in 2019, and also holds a Bachelor of Arts (Double Major in Philosophy and German) from the University of Alberta.

Prior to beginning his articles with McLennan Ross, Erik gained valuable experience working during his summers for a variety of provincial entities focused on the Alberta legal system.

When he's not assisting our clients, Erik likes to spend his time boxing, playing cribbage, and diving into history through biographies, historical literature, and books about Russian history.
