Kyle is a student-at-law in the McLennan Ross Edmonton office.

Prior to completing his Juris Doctor at the University of Alberta in 2020, Kyle earned a Bachelor of Arts from the University of Notre Dame in South Bend, Indiana, majoring in History with a minor in Business Economics. While at Notre Dame, Kyle was a four-year member of the Notre Dame Fighting Irish NCAA Division 1 Men's Lacrosse Team. Kyle has been fortunate enough to represent Canada on the world stage as a member of the U19 and Men's National Lacrosse Program, winning a silver medal in the 2012 U19 World Lacrosse Championships in Turku, Finland.

While completing his law degree, Kyle worked as a summer law student at McLennan Ross. Kyle remained active in athletics throughout law school as a member of the Faculty of Law rugby and hockey teams.

In his spare time, Kyle enjoys spending as much time as he can outdoors, heading to the mountains in all four seasons to camp, hike, mountain bike, and ski.
